

Dear Colleague,

The American Academy of Psychiatry and the Law is pleased to announce the 32nd Annual Rappeport Fellowship competition. Named in honor of AAPL's founding president, Jonas R. Rappeport, MD, the fellowships offer an opportunity for outstanding residents with interests in psychiatry and the law to develop their knowledge and skills.

Winners must attend the Annual Meeting and Forensic Psychiatry Review Course in order to win the award (short of extenuating circumstances of which AAPL is notified in advance).

The 2019 annual AAPL meeting will be held October 21-29 in Baltimore, Maryland. Immediately prior to the Annual Meeting, Fellows will also attend AAPL's Forensic Psychiatry Review Course, an intensive, comprehensive overview of psychiatry and law. At the Annual Meeting, Fellows are encouraged to attend the many excellent educational sessions, and to meet with AAPL preceptors, who can assist them in exploring interests in psychiatry and the law. Travel, lodging, and educational expenses are included in the fellowship award, and a per diem will be paid to cover meals and other expenses. In addition, Fellows receive subscriptions to AAPL's major publications, the *Newsletter* and the *Journal of the American Academy of Psychiatry and the Law*.

Residents who are currently PGY-3 in a general program, or PGY-4 in a child or geriatric subspecialty training program and who will begin their final year of training in July 2018, are eligible. Canadian PGY-4 general psychiatry residents and Canadian PGY-5 child residents are eligible. We will accept two nominations from each residency program. Please see enclosed for procedures for nominations. Applications must be emailed to the AAPL Executive Office (office@aapl.org) **no later than April 1, 2019**.

Sincerely,

Susan Hatters Friedman, MD
